When placing the order with a nominated supplier you will need to take the size directly from the purchase order. Please note that our Retail and Direct divisions express size differently than Outlets.

**Regular Sizes**

- US/Canada: Retail and Direct – to identify if it is a Regular you look at the description. For regular sizes only the W or M will show. Also you can reference the style number against the tech package to confirm it is a regular size. We do not state “regular” on the size label it will simply just be stated as the size i.e.: S, M, L.
